

## ~ NEWS FLASH ~

A big thank you is in order for NMO1 for their super contribution to the NM State Finals. Kathy Price, the #01 Director, donated the race's profits of \$800 to the State Finals! The fund raiser event was held on a very chilly November 21<sup>st</sup> at McGee Park in Farmington, with 85 racers participating. NMO1 members turned out in force, with several members from the Albuquerque area showing their support as well! It was a great race, good ground, and a very professional staff. NMO1 members should be proud of this contribution and of their Director for her efforts in keeping NBHA alive and well in New Mexico!

On behalf of all members of New Mexico NBHA, we thank you, District 01, for this valuable donation. The 2010 State Finals are slated for May 21, 22 & 23 to be held at Rockin' Horse Ranch in Moriarty. Look for rules and entry forms to be posted on our website and in The Racer's Edge in the very near future. Things are shaping up for a terrific show!

I wish you all a very merry Christmas filled with joy, peace & love. As always, be safe in your journeys. See you down the road!

Francie LeBow  
State Director
